

# "Over Hill 192"

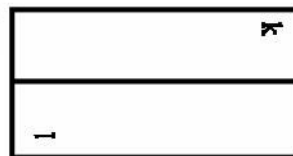

## Near Cloville, Normandy — July 11th, 1944

As the 2nd Infantry Division continued its drive towards St. Lo, elements of the 35th Infantry Regiment found themselves continuously engaged against stubborn German Paratroops of the 3rd Fallschirmjaeger Division. Unable to halt the American advance, the Germans would attempt to delay the Americans as they fell back towards St. Lo. Near the hamlet of Cloville, elements of the German 9th Fallschirmjaeger Regiment would set up shop on the nearby Hill 192 and try to halt the American advance.

**VICTORY CONDITIONS:** The American Player wins at game end by controlling 3 of the 4 level 2 Hill Hexes on Board I at game end. Any other result is a German Victory.

Scenario GJ068

**Aftermath:** The American 35th Infantry Regiment with support from the 741st Tank Battalion moved into Cloville and after heavy fighting secured the hamlet before moving on to Hill 192. The Germans would tenaciously cling to the hill until their flanks were compromised and they could no longer hold the hill. The survivors would continue their retreat towards St. Lo.
